

Dear Jillian

Your more than generous offer of ongoing Sponsorship for 10 children in Dolly Parton's Imagination Library in Dungog is gratefully appreciated by Dungog Early Literacy.

We can feel a large degree of assurance that our continued enrolment of children in the Dungog Shire to this program are supported by your group.

Your commitment to this early literacy program and its research-based benefit to young children is obvious from this and previous donations by the Paterson Allyn Garden Club.

Our present enrolments number 66 and they are representative of all areas across the Shire. Our link with Hunter New England Health Nurses has been a source of new babies entering the program .

Please pass onto your members our thanks for this donation and your ongoing support.

regards

Anne Higgins
