

Saturday 19th and Sunday 20th September

Kariong Mts High School on the NSW Central Coast

We're excited to announce that the not for profit Plant Lovers Fair is back for its 12th year.

The Plant Lovers Fair features numerous Exhibitors offering plants for collectors and garden lovers from ornamental to food gardens, trees, shrubs and ground covers plus quality garden products.

The exhibitors at the Plant Lovers Fair are specially chosen to offer 'something different' – rare, unusual or collectable. The selection of plants on display are not commonly available in Garden Centres. Despite being rare these plants are not difficult to grow! You will always find a great assortment of interesting species that will look great in your garden.

You can also grab a bite or a refreshment from the variety of food outlets, then unwind in our grassy picnic area—perfect for spreading out and enjoying the greenery at the Plant Lovers Fair!

**Tickets \$15.00 at gate or on line.
Under 18 free. Sorry, no concessions
Group bookings of 10 or more
\$13.00.**
